EXPERIENCE

POSTMATES | COURIER
August 2015 - present
- Delivery service for people who use Fleet by Postmates

ANDROID | LABYRINTH STORY (WORK IN PROGRESS)
June 2015 - Present
- Transferred my interest in writing to Android to create an interactive story where users can create their own adventure
- Spent 3 weeks getting into the basics of Android and my knowledge of Java to create the model for the app
- Features a thrilling story enhanced with scary music, and a dark user interface to keep people interested

VOLUNTEER | WING LUKE ASIAN MUSEUM
January 2011 - March 2015
- Volunteered at many JamFest events by going around and notifying people about events in the area
- Worked in many teams on art projects that addressed social issues
- Helped plan and organize exhibits for each art project we completed with artists

INTERNSHIP | YOUTHLEAD
May 2013 - May 2014 | Seattle, WA
- Paid internship as a Youthlead, where I took initiative and lead discussions and lead the planning for art projects
- Wrote and gave speeches about toe created exhibits in front of crowds of people at events
- Spoke at the Wing Luke Annual Auction in April of 2013 and at the Museum Alliance Panel in May of 2014
